B. QUESTIONS and ANSWERS

Q19. Has the airport master plan been updated recently? If so, is a copy of the latest plan available?

A19. Any information that the IAA has in their possession will be made available to the chosen firm as needed to complete this project.

Q20. Who are the trusted M/WBE partners that the Authority has used in the past?

A20. This question cannot be answered as the Authority has worked with many M/WBE firms over the years.

Q21. Has anyone performed a site investigation or verification of the existing site condition/ecological systems? i.e. soils, vegetation, water quality, etc.

A21. See response to Q19

Q22. How important is the public participation process:

A22. The chosen firm along with the IAA will determine the appropriate public participation for the project as implementation is undertaken.

Q23. What is the overall fee range anticipated for the study?

Q23. The IAA has no pre-determined fee range at this time.
